

Student RE  
photograph project

Individuals,  
as different  
as we are,  
together  
make  
perfect  
harmony

Be yourself, as everyone else is taken

Don't live your life like a shadow

Believe what you believe in!

Religious  
Connections:

When are  
you going to  
join the  
family?

Unique  
but the  
same,  
just  
like  
you

Follow the light: it brings joy and sight

Always follow where your spirit is leading

You're a star. So shine!

Does faith  
liberate or  
box you in?

What shadow of kindness are you hiding?

When life is good, death is peaceful

Every rose  
has its thorn

Peace brings  
us together

For light to shine brightly, darkness also needs  
to be present

Just  
because  
you can't  
see it,  
doesn't  
mean you  
can't see  
beyond it

The red  
mist falls  
upon  
him/the  
Lord

Stand out, be original

What has enlightened you recently?

Do we all need to be the same to collaborate well?

Don't  
look  
down,  
look  
ahead

What gets you down on your knees?

How do you see the world, through a light or dark frame?

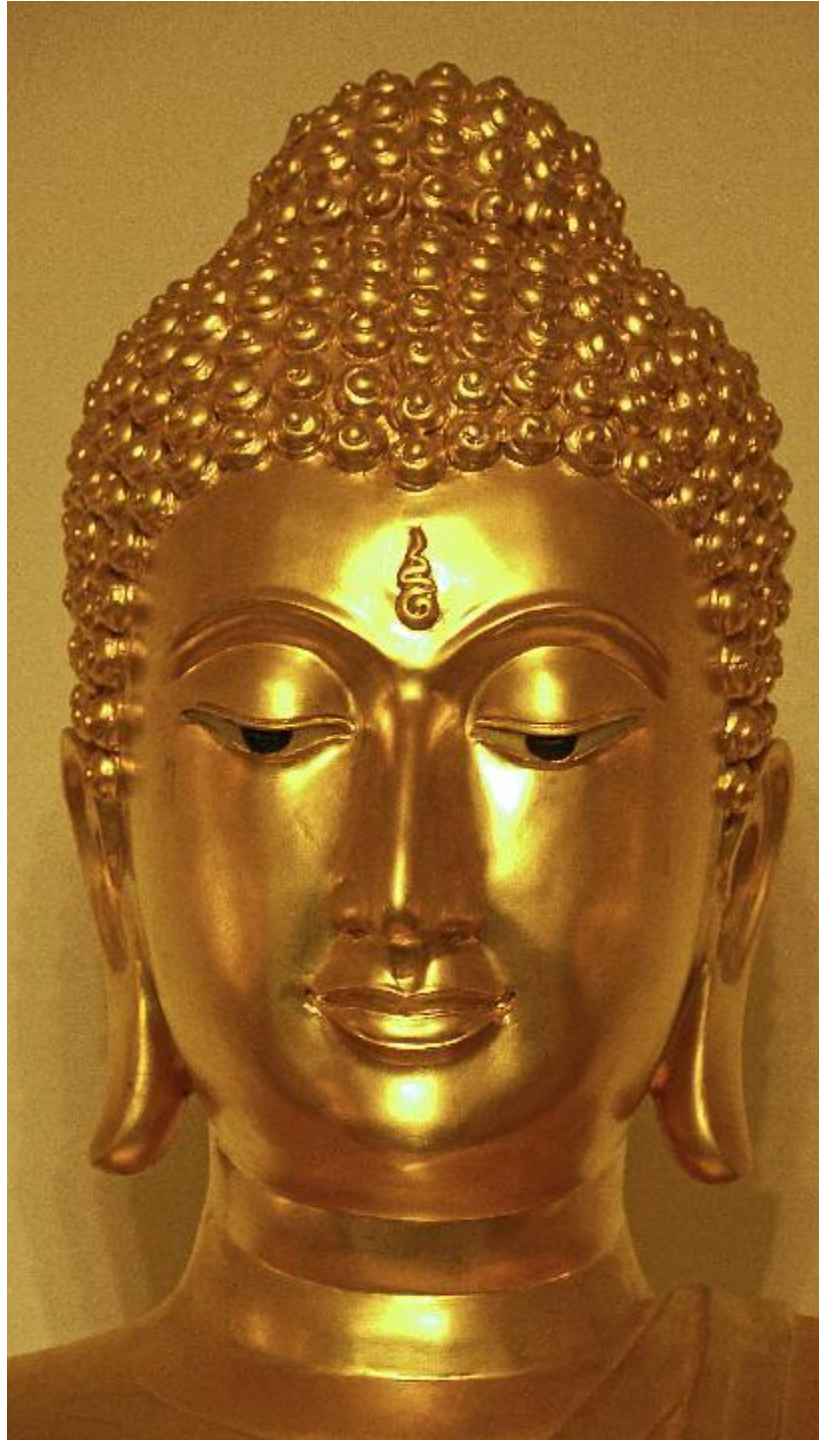

We matter

What is calling out to you?

How do you  
shine out hope?

Does the  
divine hide  
itself?
